LC CERTIFIED
ONLINE DYNAMIC SEAL

For light background   **For dark background**

Make your company stand out from the competition! Show off your Certifications online with the LabTest digital seal. Forward the instructions below to your website designer to display the "LC Certified" dynamic seal online.

Instructions for use:

1. **Choose** a seal that will fit on your website background.

2. **Copy** the provided Seal Code below.

For light background

```
<a href="https://labtestcert.com/" target="_blank" rel="nofollow noopener"><img style="border: 0; height: 150px; width: 150px;" src="https://labtestcert.com/wp-content/uploads/2020/09/LC-cert-seal.png" alt="LC Certified Seal" /></a>
```

For dark background

```
<a href="https://labtestcert.com/" target="_blank" rel="nofollow noopener"><img style="border: 0; height: 150px; width: 150px;" src="https://labtestcert.com/wp-content/uploads/2020/09/LC-cert-seal-wh.png" alt="LC Certified Seal" /></a>
```

3. Once the entire code is copied, **paste** the code into your website's HTML editor on the page(s) you wish for the LC Dynamic Seal to appear.
